

COLLABORATIVE CHATGROUP Invitation

You are cordially invited to join the continuation of this free chatgroup, originally initiated in 2009, for a dynamic interprofessional group of occupational health and/or safety professionals.

This group is now available via a private Facebook Group. To join, please follow these steps:

- STEP 1: Search for SASOHN COLLABORATION CHAT GROUP.
- STEP 2: Carefully read the About the Group section and Group Rules. This is a private group exclusively for health and/or safety professionals. Penalty: Moderators will issue one warning; subsequent offenses will result in removal from the group.
- STEP 3: Click the 'Join' button. After the first question appears, scroll down and ensure that you've completed ALL 4 SECTIONS on the pop-up. Incomplete submissions will be declined, and you'll need to resubmit.
- STEP 4: Allow 24-48 hours for Group Administrators to verify your credentials. Please check your Facebook Messenger for any notifications if your request is declined.
- STEP 5: Great! You're in! Let's celebrate!
- STEP 6: Adjust your Facebook settings to enable non-invasive notifications. See the guide in the group for help.
- STEP 7: Let's start chatting and sharing ideas! Please engage by clicking the "like" emoji – let's avoid silent lurking.

We look forward to reconnecting and collaborating!
