Sappi Southern Africa  
Country: South Africa  
City: Umkomaas  
Location: Mill Saiccor  
Department: Human Resources

Posting date: 12 Feb 2025

Closing date: 26 Feb 2025

We are hiring!

At Sappi, we are a leading global provider with a reputation for delivering high-quality sustainable Woodfibre products and solutions for the global markets. We lead through our values centred around safety, integrity, courage, making smart decisions which we execute with speed. We are seeking unique people who believe in fostering a diverse and inclusive and safe environment.

We're looking for an experienced **Health Practitioner (Forest & Saiccor)** to be responsible for the development and implementation of an integrated, sustainable, and cost-effective health program.

### **As a Health Practitioner (Forest & Saiccor), you will be responsible for:**

- Provide a professional occupational health and primary health care service in the operation, within a legal, ethical framework, to ensure a healthy, productive workforce
- Provide professional advice to line management with regard to health
- Assist with the development and implementation of health policies and procedures and ensure compliance with all relevant legal requirements
- Build and maintain conducive relationships with all stakeholders
- Ensure accurate and timeous reporting of occupational health issues
- Assist in identifying and advise management of adverse health effects arising from workplace conditions and manage accordingly
- Implement education and awareness programmes based on the Health Risks identified
- Ensure medication management is conducted as prescribed by legislation
- Implement medical waste management as prescribed by legislation
- Manage the Incapacity Ill-health process at the operating units
- Provide primary emergency care, treat minor illnesses, and refer as necessary

### **What are we looking for?**

- General Nursing Diploma / Degree

- Certificate / Diploma in Occupational Health Nursing
- Certificate in Spirometry, Audiometry, and Dispensing
- Current registration with the South African Nursing Council
- Current Registration with the South African Society for Occupational Health Nurses
- Code B Driver's License (Manual Vehicle)
- Computer Literacy (MS Office)
- At least 3 years of relevant experience in an Occupational Health Environment
- Certificate in Physical (Evaluation) Assessment / Primary Health Nursing will be an added advantage
- TB Course, STI Course, and HIV / AIDS Management preferred

### **What's in it for you?**

- Opportunity to work within a global organisation that continues to thrive in a rapidly changing world even after 80 years of existence
- Learning and development programmes to fast-track your career within Sappi
- Opportunities to travel (dependent on the role)
- Market-leading leave benefits
- Employee wellbeing benefits

Sappi is committed to creating a diverse environment and is proud to be an equal opportunity employer. All qualified applicants will receive consideration for employment regardless of race, colour, religion, gender, gender identity or expression, sexual orientation, national origin, genetics, disability, age, or veteran status. At Sappi, we encourage and support vaccination.

Applications can be made through the [careers.Sappi.com](https://careers.sappi.com) portal.
